

Modern Workplace Intensive

Empower Your Business. Upskill Your Leadership.

Dr. Summerlee is an internationally recognized academic and humanitarian who received the International Quality of Life Laureate at the United Nations in 2012 for his work addressing global hunger.

He brings exceptional insight into leading complex organizations and inspires participants through real-world leadership lessons.

Dr. Summerlee will lead the first of three sessions in Ottawa Education Group's Modern Workplace Intensive series.

In his four-hour immersive leadership workshop, Dr. Summerlee will explore high-impact leadership concepts adapted to today's fast-paced, change-driven environment.
